

Hiritik Sonar

Baneshwor, Kathmandu

9824373351

Snarhrithik0977@gmail.com

Objective:

To obtain an internship or co-op position in the field of Computer Science.

Education:

Islington College

2021-Present

Major: BIT (Bachelor in Information Technology)

Relevant Coursework:

Semester 1st: Introduction to Information system, Programming, Computer hardware and software architecture, Databases

Semester 2nd: Fundamentals of computing, Computer hardware and software architecture, Logic and problem solving, Programming

Semester 3rd: Databases, Software engineering, Internet of things, Network Operating system

Skills:

Proficient in HTML, CSS, Python, Java.

Familiarity with database management systems, such as MySQL.

Experience with software development and project management tools, such as Git.

Excellent problem-solving skills and ability to work both independently and in a team environment.

Strong communication and interpersonal skills.

Projects:

Billing management system

Developed in one month using Python, this application provides information to the owner about goods sold, lent, and returned. It also kept track of fines accrued when applicable.

GUI of Sarangi Sansar

This program was written in Java using BlueJ which allowed the owner to rent and sell musical instruments. It also includes account management features that allow users to update their personal information. Additionally, it also keeps the record of returned instrument.

Distance Indicator

Based on internet of things, this project was developed to measure the distance between object and a barrier behind it in order to inform the driver of their safety or lack thereof. The goal of this project is to create a system that will guard the vehicles from outsiders and maintain it secure.

Phone Number Tracker

Basically, a python project which shows the location of phone number that is entered by users. It also displays the country name, name of service provider and latitude and longitude of location.

Achievements:

[Any academic or personal achievements that demonstrate your skills and experience.]
